Dear Parent/Guardian,

Free milk is available for all children aged under five in school, funded by the UK government.

In our school, this milk is provided by Cool Milk, the UK's leading school milk supplier.

We will register your child for their free school milk on your behalf by providing Cool Milk with your child's name and date of birth.

Fairfield Infant School will continue to fund all children whilst they are in Reception year. Following Reception year, you will be offered the opportunity to pay a subsidised rate for your child to continue to receive milk.

All information handled by the Cool Milk group is processed in accordance with GDPR. All personal information is securely stored on Cool Milk's UK servers, and is never passed on to third parties without your permission.

Please inform the office if you would prefer us not to register your child for free school milk.

Kind regards

Mark Girling
