

The Primary PE and Sport Premium 2020/21

Rationale

The Primary PE and Sport Premium is government funding provided to schools to make additional and sustainable improvements to the quality of PE and sport they offer. The government has committed to this funding until 2022. The Department for Education's vision for the Primary PE and Sport Premium is for:

"All pupils leaving primary school (to be) physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport."

At Colneis Junior School we share this vision and strive to use the funding to create a long lasting sporting legacy that will continue long after the Primary PE and Sport Premium. With this in mind, we aim to achieve self-sustaining improvement in the quality of our PE and sport provision.

How much funding will we receive?

For the academic year 2020/21 Colneis will receive £19,560 in PE and sport premium.

How do we plan on spending the funding in 2020/21?

At Colneis Junior School we have used our funding in the following ways:

Strategy	Cost
Lunch club provision	£4750 - Not premium spend
Enrichment opportunities	£2695
Dance enrichment	£2660
Staff training and release costs	£1500
Transport (coach hire)	£1500
After school clubs subsidisation	£1000
School Games Membership	£475
Health project training	£500
New initiatives	£1000
Daily Mile	£8500
Gymnastics - @Pipers Vale	£600
Celebration assembly / certificates / role models	N/A
Felixstowe Pyramid events	N/A
New kit	£2993.54
Total Cost	£23,423.54

What impact will the premium have on pupils' PE and sport participation and attainment?

The impact of how we spend our funding is evaluated termly against the following five key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and Sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Completed termly, the tables below evaluate the strategies used by the school against the 5 key indicators and indicates the relative cost and impact of each.
