*This year we are pleased to be able to provide a number of free clubs. If your child would like a place on one of these clubs, you will need to complete an expression of interest form. This does not guarantee your child a place on the club. After the form has closed, we will be in touch to let parents know they have been allocated a place and they will need to complete a form to accept the place. We wish to ensure everyone has the opportunity to join a club. If you are not successful, you will be added to a waiting list. Please let us know if you are no longer interested in a place.
